Q1 of 3

What will be the output of the below code?

```
public class Demo {  
    public static void main(String args[]) {  
        int a = 10;  
        int b = 2;  
        System.out.println((a < b) ? a++ : --b);  
    }  
}
```

☐ 2☒ 1☐ 10☐ 11

Option 1 is Correct
